PROFESSIONAL SUMMARY

Passionate Frontend Developer and Information Technology student with a strong foundation in building responsive, high-performance web interfaces using React.js and modern CSS layouts. Highly skilled in bridging the gap between elegant UI/UX designs and clean, scalable code. Proven experience in independently developing full-scale projects, managing version control via Git/GitHub, and optimizing web user flows.

EDUCATION

Bachelor of Science in Information Technology (BSIT)
University of the Punjab • Govt Jinnah Islamia Graduate College

2023 – 2027 (Expected)
Sialkot, Pakistan

TECHNICAL SKILLS

Core Programming: C#, JavaScript (ES6+), HTML5, CSS3, React.js, React Router, REST APIs
Development & Version Control: Git, GitHub, WordPress, Responsive Web Design, Vite, Web Performance Optimization
Design & UI/UX: Graphic Designing, UI/UX Optimization, Figma concepts, Visual Assets Designing

ACADEMIC & PERSONAL PROJECTS

SialGear(E-CommercePlatform) sialgear.vercel.app *Lead Developer*

- Designed and developed a fully responsive e-commerce web application independently using **React.js** and **Vite**.
- Implemented clean **dynamic routing** with React Router to manage complex page navigations and catalog updates smoothly.
- Optimized front-end assets and applied modern CSS grid and flexbox methodologies to guarantee a seamless responsive experience on both mobile and desktop screens.
- Utilized **Git and GitHub** for version control, managing the entire deployment pipeline up to active hosting on vercel.

ASP.NET Core Luxury Portfolio haseeba-imtiaz.github.io/portfolio-website *Developer & Designer*

- Engineered a full-scale, dark-themed interactive portfolio using C# ASP.NET Core 8.0 MVC and Tailwind CSS.
- Designed custom video lighting overlays, glassmorphic UI cards, and responsive ambient lighting effects for a high-end Cyberpunk aesthetic.
- Integrated asynchronous Formsfree API with JavaScript fetch for seamless contact form feedback without page reloads
- Deployed on MonsterASP.net with optimized production builds, ensuring mobile-first responsiveness and high performance.

CERTIFICATIONS

- **Google Data Analytics** *Coursera / Google*
- **WordPress Web Development** *Learning With Earning*
- **Graphic Designing** *Learning With Earning*
